## ROTARIANS IN ACTION LAST WEEK:

### Troop 401 Drops by for a Visit!

For the past 35 years our club has sponsored and held the charter for **Boy Scout Troop 401**.

During those 35 years, **Troop 401 has produced 87 Eagle Scouts**. All the scouts you see in this picture are working towards an Eagle Scout badge. Mike Myers, made cubbies for a school classroom; Jake Gonzales made 6 pre-school tables; Scot Stradford made an arbor; and Steve St. Germain built a kiosk at College Park to post college information . . . and he put our Rotary logo on it!

Prez Steve informed us that he had also been an Eagle Scout (yes, you guessed it: the Boy Scouts had to revise their manual after that).

**Last Week, continued next page . . .**

**CAMP ROYAL**  
**June 14--20, 2009**  
Camp Royale is a Rotary Youth Leadership Award Conference organized each June in the mountains of Northern California. The 67 Clubs of District 5160 have been providing this leadership learning opportunity since 1979. In 2009 our District has space for 145 outstanding young leaders!

**CAMP VENTURE**  
**June 28-July 3, 2009**  
Camp Venture is now a five-day training and motivational camp for students who have finished their junior year and are interested in pursuing a career in business, particularly as entrepreneurs. It is held in late June at the Maritime Academy California State University in Vallejo.

Paul Bonnar advised the club that his wife Ginger had her right shoulder replaced and is at home recovering. We all wish her a speedy and complete recovery.

Last June, Karl Kasat visited our club to present his Eagle Scout project, which provided bicycles to underprivileged foster home kids. The Club (at Mike Maxwell's challenge!) instantly donated \$852 CASH . . . a real example of the generosity of PH Rotarians !

We are sorry to report that Karl recently suffered a severe injury in a personal watercraft accident and had surgery to reconstruct his tail bone. He was just released to go home. The Club put together and sent him a get well package. *We all wish Karl a speedy recovery and will keep him in our thoughts and prayers.*

### Hospice of the East Bay

Hospice is a specialized, personalized approach to medical care and support at the end of life. Care is focused on honoring patients' wishes; ensuring personal dignity; and providing physical, emotional and spiritual comfort.

Since 1977, Hospice of the East Bay has been effective in improving the quality of life for adults and children with life-limiting illnesses by providing expert, compassionate care in the comfort and privacy of home. "Home" may be a patient's residence, that of a friend or relative, or an assisted living, residential care, or skilled nursing facility--or our local Bruns House inpatient hospice facility. The goal of care is to make patients as comfortable and pain free as possible and to ease their sense of loneliness and fear.
